

RIC-TRONICS, INC. GLOBAL SOURCE

ELECTRONIC COMPONENTS MANUFACTURING SERVICES

Diodes and Metal Oxide Varistors

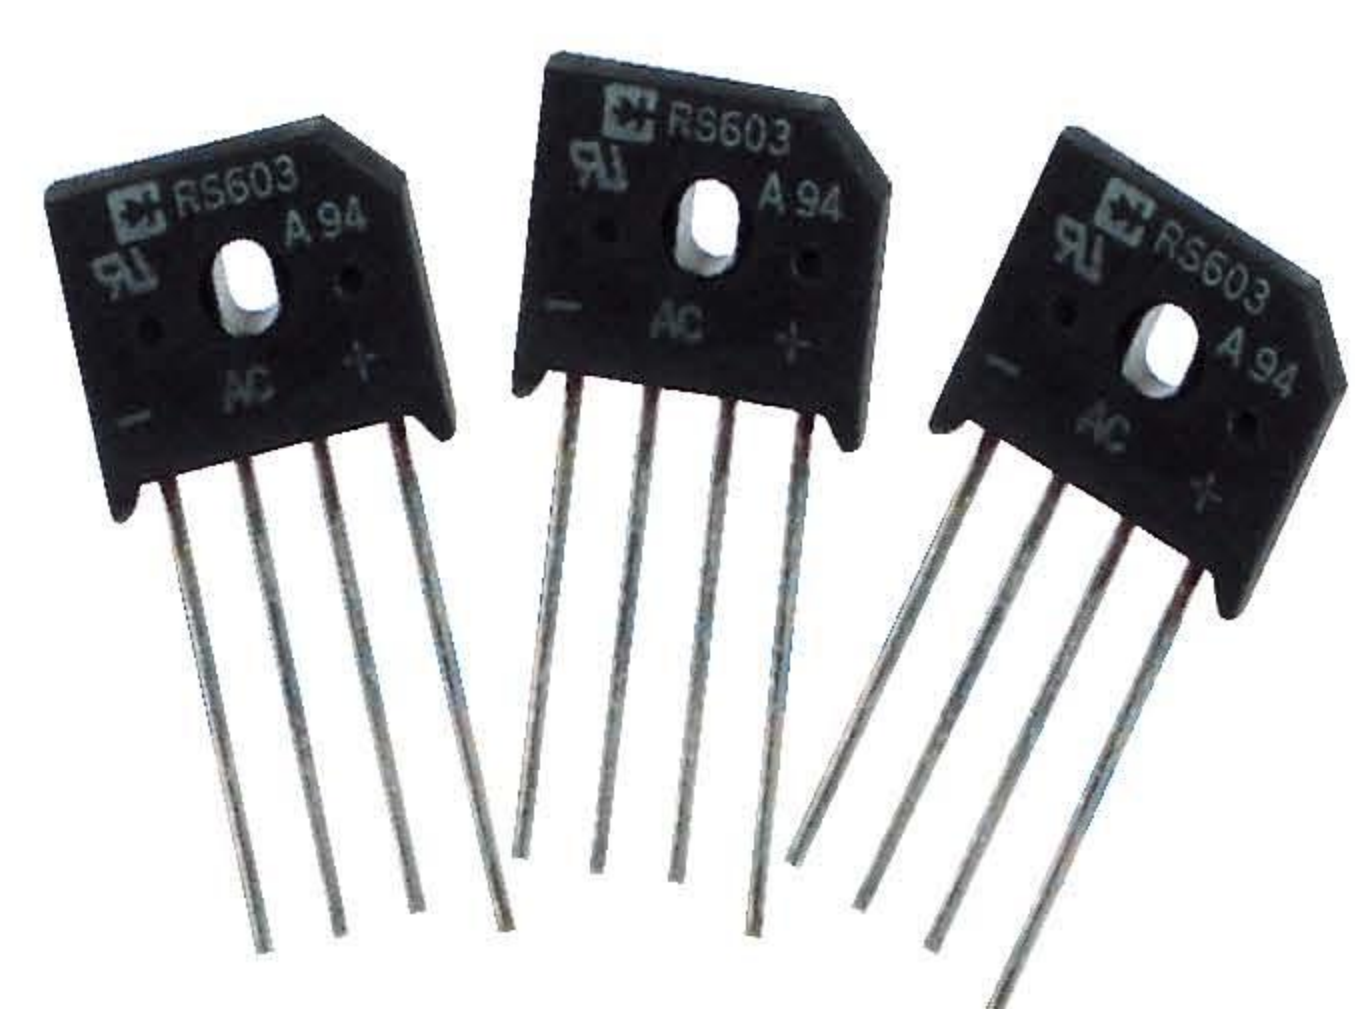

Diodes Lines

Rectron
Electronic Devices, Inc. (E.D.I.)
MEI Semi, Inc.

General Purpose, Zener,
Schottky and many
other Diode Types

Available in
Surface Mount and
Through Hole

MOV's (Metal Oxide Varistors)

Leaded, Surface Mount and
MOV Assemblies
from CKE

Capabilities and Specifications:

Single Phase and Three Phase Bridge Rectifiers
Metal Oxide Varistors Available in Standard and High Energy

Transformers Batteries Battery Packs Cable Assemblies Contactors Power Supplies & Cords Fans MOV's Sockets Connectors Crystals LED'S Diodes Capacitors Resistors
